A BRIEF HISTORY OF IDANRE

IDANRE THE CITY ON THE ROCKS

Idanre the city on the rocks, lies 20 kilometres from Akure, the capital of Ondo State. Idanre, a historic Yoruba town, is famous for its rich cultural tradition with a population of over 1 million people with a common boundary with Benin city it covers an area of over 600 square miles including 200 square miles of forest hills, Idanre is surrounded by a chain of rocks which forms a natural protection around the city.

It is an accepted fact that Idanre like other Yorubas migrated from the East under the able leadership of ODUDUWA who was the founder of Yoruba Kingdom.

Idanre is the largest cocoa producer in Nigeria more than \$15 Million USD in revenue every year. Unfortunately, there is little to show for this in terms of investment and infrastructures. (Idanre Cultural Association intends on changing that)

Cocoa beans from Idanreland rank among the best in the world.

" Wood and forest potentials: Idanre has the largest forest reserves producing the largest tonnage of timbers in Ondo State.

Idanre hill citadel presents prolific tourism potentials. Serving as attractive tourist centres are:

" Topographic features of the towering chains of volcanic rocks

" The wonderful AGBOGUN footprint on Aghagha rock which will fit anybody's feet

" Ala Forest Reserves is a potential natural zoo

The New Idanre at the foot of the hills was planted less than sixty years ago and is divided into six zones, Atoshin, Alade, Ala Odode and Oniserere. The ancient palace is preserved at Oke-Idanre together with a few other state houses for the preservation of the ancient crown, works of arts, and other things of fame in Idanre. IDANRE is a potential tourist centre in southern Nigeria.

**A pilgrims' rest beneath Idanre Hill
The wine-girl, dazed from divine dallying
Felt wine-skeins race in fire-patterns within her
Her eyes queried, what then are you? At such hour
Why seek what on the hills?**

Wole Soyinka - in Idanre and other poems.

President's Speech

I am honoured to welcome the chairman, the chairlady, chief launcher, co-launchers, chiefs, award recipients, special guests, distinguished ladies and gentlemen. My heart over flows with profound gratitude to the almighty God that we all have the opportunity of witnessing the 1st Fundraising of Idanre Cultural Association of Canada. I would also like to on behalf of the Idanre Cultural Association members express my profound gratitude to the chairman Chief Duro Badiru THE OTUNBA OF ISOYIN, IN IJEBU LAND and the chairlady Mrs. Ugozi Ugoh Editor & Publisher, Nig, Can, Bus, Dir and all the members of the high table.

My sincere "thank you" to all our out of town guests, with special reference to our brothers and sister from U.S.A and the U.K

Our Thanks go to the Pastoral Staff and the entire Membership of Christ Apostolic Church Vineyard of Comfort for their prayers and support.

Idanre Cultural Association was founded and registered ten years ago in Ontario, Canada as an umbrella for individuals in our community who want to share the cultural heritage of Idanre people and contribute meaningfully to the development of Idanre land, by constituting ourselves into one indomitable whole.

I Like to express my appreciation to all the members of Idanre Cultural Association. I praised God for your commitments, time, dedication and giving over the years. Thanks also for the magnificent role you are playing towards the development of our growing community Idanre. I see everyone of you as the Ambassador of Idanre and as the cream of the elder, nationalist and witty eminent personalities of Idanre Community, of which I am proud to be a member. Thanks also, for believing in my leadership and the confidence reposed in me. I also thank my wife Deaconess Titilayo Olagundoye for her loyal support. If not because of my lovely wife I would not have been able to serve you good enough.

Tonight is not the night for long speeches. I am appealing to you all to please donate generously to the 1st Fundraising in support of Idanre General Hospital. I like to seize this opportunity to appeal to Idanre sons and daughters who are not members to join us. Idanre Cultural Association is on the move, it is marching on the gate of hell will never prevail. This message is your latest invitation to join Idanre Cultural Association do not wait until you have time. Setting aside two hours a month to take part in a unique association discussion about your home town is not a waste of time. I believe we should all be proud to have come from a beautiful place called Idanre. "The City in the Rocks". Martin Luther King once said that the highest reward for a persons toil is not what they get for it but what they become of it. Whatever we are doing in this association we are doing it for our father land. May God help us to make our lives useful to others in our community.

Once again I am appealing to you all to donate generously to the noble cause of this association. I want you to know that "THOSE WHO BRING SUNSHINE TO THE LIVES OF OTHERS CANNOT KEEP IT AWAY FROM THEMSELVES. Please give out generously as an expression of our gratitude to the almighty God. It is more a blessing to give than to receive." May God help us to be springs of living water to those who look at us for Sympathy, Courage and mural character. May we not be like empty streams to the desert traveler who has to turn away disappointed into the desert to perish.

Thank you all for coming and as you have come to honour our invitation, may almighty God continue to honour you. May your shadow never grow less.

We All Love You
